*Abundance of Natural Light*

# VIVA

Designed to embrace natural breeze, this classic home offers a large living area and good-sized rooms. To top it all off, it maximizes beautiful views of living, dining and bedrooms facing the pools, park or greenery.

Abundance of sunlight and breeze is the uniqueness of Viva homes with all bedrooms and living room lined up for optimal views of the greens and lush landscaping.

Separate living and dining area concept works best for families who prefers exclusive enjoyment of watching TV/entertaining guests separate away from the dining.
